Our expertise spans the breadth of real estate law, from contractual issues, landlord/tenant and co-op/condo disputes to loft law and mortgage foreclosure. We represent owners, lessees, not-for-profit entities, educational institutions, developers and lenders in state and federal courts in matters including: business disputes, dissolution of LLCs and partnerships, commercial leases, construction litigation and brokerage disputes.

We are responsive, practical counselors who bring a creative and can-do attitude to every matter.
